I have seen The Lord!

"I have seen The Lord!" Mary Magdalene runs to tell the disciples about her encounter with The Risen Lord, but this was too incredible to believe unless they could see for themselves.

"We have seen The Lord!" Cleopas and his wife encounter a stranger on their return journey to Emmaus, following the crucifixion. Their hopes for a Saviour had been dashed with Jesus' death, and they were trying to make sense of recent terrible events.

Whenever we encounter terrible events in our lives, such as chronic illness, death, or any other major loss, and look to God, we can question faith and wrestle with thoughts of rejection or abandonment, or that God is angry in some way and punishing us cruelly.

At these times, we need God to give us revelation of His presence, purpose and hope. We struggle to accept the testimony of others and need our own meaningful encounter with Christ.

Cleopas and his wife quickly returned to Jerusalem to tell the other disciples of their encounter and how Christ had revealed Himself as He broke bread with them, before disappearing from their sight. The other disciples listened in disbelief, despite a desperate need to believe, to assuage their grief.

Then Jesus Himself appeared among them and said: "Peace be with you." His human appearance may have become so distorted by the brutal treatment He endured, that He needed to offer greater proof of who He was, by showing the wounds on His hands and side.

Thomas was not with the others when Jesus appeared to them, and when he was told they had seen The Lord, he doubted. "I won't believe unless I see the nail wounds in His hands, put my fingers into them, and place my hand on the wound on His side."

Even testimony from his closest friends, wasn't enough to persuade Thomas. There are some things that we can't accept second-hand, those things we can't humanly fathom, or learn intellectually. Some things need to be personally experienced!

In our imaginings, we may expect to experience Christ through life's joys, blessings and victories. Thomas was probably in the depths of despair. He had left the comfort of his companions' collective grief and was inconsolable, refusing to accept their testimony that could have brought him hope and comfort.

Nevertheless, Jesus addresses Thomas' pain directly. When He appears to Thomas, He intimately offers His wounds: "Put your finger here and look at My hands. Put your hand into the wound on My side. Don't be faithless any longer. Believe!"

It may be that during times of suffering, that faith of many can wane. You're not alone! In fact, we all need to encounter Christ personally to solidify our faith. It's often during our own suffering that we get to touch His wounds, and discover that we have not been abandoned, but privileged to have a close encounter with the sacrament of suffering.

Then, as we invite Him to break bread with us, Christ appears, our eyes are opened to see Him, and we can tell the world: "I have seen The Lord!"

St Mary's PCC is prioritising different ways to make our church visible in the community.

A little hello from Margaret, our Social Media Content Champion..

Hi, I'm Margaret Mayersbeth. You may have seen me taking photos around St Mary's church and sharing them on social media.

I love showing our church in action, from coffee and gardening to events, activities and all the little things that happen here. We have so much to be thankful for, and people really enjoy seeing our community, who we are and everything we do.

So please be open and willing when I ask to take a photo or two. I know it can sometimes feel a little awkward, but these are the moments that help people see what St Mary's is all about and hopefully encourage new people, especially younger people, to come and join us.

If you really don't like having your photo taken, please just let me know. But also if you'd be happy to maybe be in a short video, please come and have a chat with me or get in touch! I would love to share even more of our church life!

See you all very soon, God bless

Editor's note: Margaret has begun an Instagram account as well as Facebook and people can follow us on both @sendparishchurch You can also check out our newly designed website - www.sendparishchurch.co.uk

Next time in the Coffee Shop
Monday 16 November
Special stall: Houseplants, bulbs etc
Proceeds to: Veterans Association

St Mary's Church Coffee Shop is held in the Church Room on the third Monday of each month from **9:30am to 11:30am**. If you haven't been to the Coffee Shop before why not call in! We make good coffee and delicious home-made cakes. We do not charge for refreshments but instead suggest a donation, however small, to the charity of the month. All the coffee, tea, cakes and items for the stall are donated, so every penny goes direct to the chosen charity. Each month we have a themed stall and in November it will be Houseplants, bulbs etc. Items for the stall can be given to any of the Coffee Shop Team at church or brought along on the day. We look forward to seeing you!

The Veterans Association is a charity set up to give back to the men and women who have literally put their lives on the line to protect our families and way of life. Their HUBs are a great way for the Veteran community and their families to come together and socialise with other veterans. They can also assist veterans and their families by offering support with physical and mental health, employment, housing and can signpost and offer counselling services in things like PTSD, loss of limbs or any issues that a Veteran may face either from their service or from their return to Civvy street.

October total for Lads Need Dads £466.00.
Thank you for your very generous support, and
to Claire Bright for boosting the total with the
sale of donated new Usborne Books.

St. Mary's Memory Lockets

If when we think of lockets and the precious memories contained within them, how sometimes the glass gets cracked or the photos fade, we continue to treasure the contents as a valued part of who we are. On the last Sunday of the month at 3pm, St Mary's will play host to tea in the chapel area of the Church Rooms for an hour. If you are holding tight to personal memories of loved ones, to broken dreams or a way of life now lost to you and would like to share some memories in a small informal group please consider coming along. You might like to bring an item or photo along that is meaningful to you and that reminds you of past times. Be assured of a warm welcome and a compassionate listening ear and tea/coffee and cake.

What's not to like!

Next meeting 29 November.

Anne Haynes Charity

Late summer sees many of the young people in Send and Ripley taking the next step in their preparation for earning their own living. For some this means apprenticeships, for others it means some further or higher education course. But all of these are eligible for an **"Anne Haynes Grant"**.

This fund has been available since 1702 when Dame Anne Haynes donated a sum to assist children in apprenticeships. The Charity Commission now says of the charity "the interest earned is distributed to young people to help in their further education". A meeting is held annually in the Autumn to administer the available funds which is shared among the young people who qualify and apply for the grant.

The criteria for young people to qualify is that they must live in the Parish of Send or Ripley, they must be under 21 and the money must be used to further their education and prepare them for the workplace.

Two trustees have been appointed to administer and distribute available funds from the charity. Rowland Cornell represents Ripley Parish and Arthur Thomas represents Send Parish.

If any young person, their parent or guardian wishes to apply for funding, please apply with details by email to:-

Arthur Thomas [for Send Parish] jillarty1@gmail.com or

Rowland Cornell [for Ripley Parish] rowlandcornell@ripleyparishcouncil.gov.uk

NEURODIVERSITY BASKET

New - for every service at St Mary's there is now a neurodiversity basket in the porch, containing items such as ear defenders, small whiteboards for creativity and fidget spinners. Please help yourself to anything in the basket that will help you to feel comfortable and to get the most out of your time at St Mary's. The basket is for the young and the not so young. We want everyone to feel welcome and included at St Mary's.

ST ANDREW

Andrew was a fisherman and a follower of John the Baptist until Jesus called him to be one of his twelve apostles. It was Andrew who brought to Jesus the young boy with his five barley loaves and two fishes, which subsequently fed the 5,000.

He is the patron saint of Scotland and the St Andrew's cross is on the Scottish flag. He is also the patron saint of Russia, Greece, Romania and Ukraine, as well as fishermen and singers.

He died on 30 November 60AD, in Patras, Greece.

SEND GARDENING SOCIETY by Linda Davis

November is the month where the garden exhales, the pace slows, the light softens, and there is time to pause. It is a gentle reminder that rest is part of the rhythm, both for the garden and for us. As we tidy, plant, and prepare, we are quietly laying the foundations for another year of growth. The traditional advice to cut everything back in November comes from an era when gardens were supposed to look "maintained" and formal year-round. We know now that gardens should work with nature, not against it, and leaving herbaceous perennials standing is one of the easiest ways to create wildlife habitat whilst reducing your workload. Any shrubs that need moving should be done while they're dormant so they will settle in nicely before spring. The biggest mistake to avoid making this month is not to overwater pots and containers which should be raised on pot feet to improve drainage. Winter wet is far more damaging than winter cold. Garlic is one of the best crops to plant in November. It needs a winter chill to produce a good crop and is low maintenance once established. Basil, chives, parsley, and oregano are excellent herbs to grow indoors, doing well in containers and requiring minimal space.

November is the ideal time for planting bare root apple or other fruit trees and bushes. The soil is still warm enough for root establishment, but the tree/bush is fully dormant so there is no stress whatsoever. Bare root plants are dormant specimens that have been lifted from nursery fields with their roots exposed with no pot or compost around them. This makes them cheaper to buy and transport, easier to plant, and they establish far better than pot-grown plants because their roots have not been constrained by containers.

November is also the right time to carry out an 'annual performance review' to reflect on the closing growing season while the details are still fresh in your mind. Notes made now - which varieties performed, where the soil needs improvement, what to grow more or less of - are invaluable when planning next year's garden ensuring that spring planting feels exciting-not overwhelming.

The lawn needs very little active management in November but there are two important rules. 1. Stay off the lawn when it is frozen - walking on frozen grass breaks the cell walls of individual grass blades and leaves brown footprint-shaped marks that persist for weeks. 2. Keep fallen leaves off the lawn - a blanket of wet leaves excludes light and traps moisture, creating ideal conditions for fungal disease and moss. Robins are often a welcome winter visitor to our gardens. They are with us all year, of course, but there is something so cheerful about spotting their red chests on the hunt for grubs that can make us smile.

We do not meet in November so our next meeting will be the AGM and Christmas Social for members on Wednesday 2nd December. We can be reached by e-mail at f.veybrookcollett@gmail.com or by phone on 01483 765730 (Secretary Fiona Collett) or by coming along to our next meeting. We are not experts, just a bunch of people who enjoy tending our gardens and trying new ideas. We hold bi-monthly meetings at 7.30pm on the first Wednesday of alternate months at the Church Rooms, with speakers who are experts and teach us something about the art of gardening.

**FAIRTRADE
FOUNDATION**

15 October 2026 International Rural Women's Day & Fairtrade certified flowers

It surprised me this morning that today is known as the **Day of Rural Women**, celebrating the vital role that women play around the globe in agriculture. I was also interested in the fact that more than 40,000 women work on Fairtrade certified flower farms, more than 50% of the workforce. Fairtrade International interviewed a lady called Jacqueline Chepsergon who has been working for 25 years in the flower industry. She is currently at Maji Mazuri Flowers in Kenya. She began her career as a casual worker and is now working in leadership thanks to Fairtrade which enabled her to gain valuable knowledge and skills and then graduate from the Women's School of Leadership. In the interview Jacqueline says "The power of Fairtrade is amazing because it is not only about the individual employee; it also creates opportunities for women, supports families, and contributes to the wider community." Fairtrade flowers are highly sustainable. They balance strict environmental standards with vital social and economic benefits, often resulting in a lower overall carbon footprint than flowers grown in heated European greenhouses.

They are also beautiful and available locally! Sally

Sunday Club and YAC news November 2026

Sunday Club met at the end of September to learn more about Moses. After learning in the previous session how Moses led the Israelites to safety and parted the Red Sea, we were excited to learn more. This time we learned how the Israelites were thirsty and God told Moses to hit a rock with his staff and, guess what? Water sprung from the rock! Our session involved pouring water and making watery pictures. We also thought about how Moses was a bridge between God and the Israelites so we built a Lego bridge for our little people to walk over to reach a Bible representing God.

If you've ever been to a Sunday Club meeting, you will know that we like our food! Our last meeting was during Fairtrade Fortnight. As St Mary's has recently recommitted to being a Fairtrade Place of Worship, we talked about what that means and shared some Fairtrade chocolate.

We have been busy planning for Christmas. We've written the first draft of the Nativity play which we will perform in Church on 6 December at 10:30am. It's not too late though to get involved! We'd love a bigger cast. If there are any budding performers, we would love to hear from you. Roles can be speaking or non-speaking - the script is written to order so we can be very accommodating! In addition to the performance, there are two rehearsals: Sunday 29th November in the Church Rooms at 10:30am and a dress rehearsal on Saturday 5th December in the afternoon (time to be confirmed). If you'd like to take part, email marycambellsend@gmail.com

As well as the Nativity play, we're planning our involvement in all of St Mary's Christmas activities. Between the Christmas Fair, the Stir up Service, Cakes and Carols, 9 Lessons and Carols and the Crib service we're going to be busy. Just how we like it! Hope to see you there!

Let us know at sundayclub@sendparishchurch.co.uk if you'd like to join us! Sunday Club is for age 3-12 and YAC is for secondary school aged children.

Questions before Communion

The following words were used by some of the young members of YAC at a Communion service back in the summer.

Why do we give thanks and praise to God?

Because God has created all that is, and God has given us life.

Who are we remembering and who is here with us?

Jesus Christ the Lord who lives today.

Why do we take this bread?

Because Jesus took bread at the Last Supper. It is a sign of Jesus feeding us.

Why do we take this wine?

Because wine is a sign of Jesus' saving love, poured out for us when he died on the cross.

Why is there one bread and one cup?

Because we are one family; we belong to each other like the parts of a body.

Why do we come to this table?

Jesus invites us because he accepts us. We are his people and we share in his heavenly life.
